SUMMER DANCE 2010

Join us this summer for some awesome classes to help increase your skill level. Fill out the bottom of this form & return to the address listed below or drop it off at the studio. All classes with an asterisk qualify you for your competition requirement. **(Competition students are required to attend two intensives per year. We have not yet secured Michael Schwandt, however if we are able to secure him, this will be one of your requirements).** You may assume that you are registered for the classes that you're requesting unless otherwise notified. No confirmations will be sent out. The age requirements are a guideline, we may switch you based on ability.
